WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1893.

MAYSVILLE, KY., SATURDAY, FEBRUARY 28, 1903.

ONE COPY—ONE CENT.

THEN FOR GOOD STREETS.

Bury the croaker out in the woods.  
In a beautiful hole in the ground.  
Where the humble bee hums and the woodpecker  
pecks.  
And the straddle bug straddles around.  
He's no good to the town.  
Too unpractical, stinky and dead.  
But he wants the whole earth and part of the  
crust.  
And the stars that shine over his head.  
Then hustle him off to the dead.  
And bury him deep in the ground.  
He's no good to us here, get him out of the way.  
And make room for the man that is sound.  
Monday will be Mason County Court  
Day.

Dr. James Shackelford has been quite  
ill for several days.

cousins of Dr. A. N. Ellis, and were his  
guests during their engagement here  
this week.

who had worked on the road thirty-five  
years, is dead at his home in Robertson  
county, at the age of 75 years. He was  
a native of Germany.

Mr. Daniel Perrine has bought from  
the heirs of the late Dr. William Nelson  
the Eastern half of the Nelson building  
on West Second street, recently dam-  
aged by fire, for \$5,000.

Will Waldron and Miss Flossie Rist  
of Aberdeen were recently married.  
They will live in Cincinnati, where Mr.  
Waldron holds a position with the  
Adams Express Company.

The steamer City of Louisville on her  
way up the Mississippi from New Or-  
leans reached Vicksburg seven hours  
and thirty-five minutes behind the time  
made by the Robert E. Lee in 1870.

Benjamin L. Goodwin, one of Fayette  
county's wealthiest residents, shot and  
killed himself in a Lexington saloon.  
He was 70 years old and worth \$300,000.  
The cause of the deed is not known.

Harry K. Ellis of Manchester has  
had his pension increased from \$30 to  
\$36 per month, beginning last May. He  
was wounded during the Boxer upris-  
ing in China, and will be a cripple all  
his life.

The notice in THE LEDGER that the  
Rev. W. T. Spears contemplated a re-  
moval to Vanceburg was erroneous, as  
it is learned from the best authority  
that he has no intention of leaving  
Washington.

Ed. Wempe of Cincinnati, charged  
with inducing Frank Fisher, a saloon-  
man of Ripley, to sign a worthless draft  
for \$50 on E. S. Bonnie & Co. of Louis-  
ville, has been arrested at Rensselaer,  
Ind., on a similar charge.

Talcum Powder Company against the  
American Tin Can Company has been  
transferred from the Kenton Circuit  
Court to the Federal Court and the case

Cochran.

A man giving the name of John Haw-  
kins and claiming Morehead as his  
home, but who has been identified as

day, the interment being at Washing-  
ton.

Denver that funds have been provided  
and that a committee will be sent to  
England to investigate the Sir Francis  
Drake estate. A meeting of descendants  
and claimants was held this week at  
Buffalo, and another will be held next  
week at Boston. The Rileys, Foxes and  
others of this county are interested.

Judgment of the Fleming Circuit  
Court in the case of Ben Storey and  
others against the First National Bank  
of Louisville and Louisville Banking  
Company was reversed and a new trial  
was ordered yesterday by the Court of  
Appeals. Judge Nunn delivered the  
opinion. The action was to recover on  
notes. The trial judge gave peremptory  
instruction for the banks. The Appel-  
late Court says the evidence should  
have gone to the jury.

issue later than 3 o'clock  
on ordinary days and 5 p.  
m. on Saturdays. Of course  
it is advisable to send them

receive proper treatment,  
but above hours are the  
limit, and this rule will be  
rigidly enforced in future.

The Committee on Gas will meet to-

### RIOTOUS MINERS.

West Virginia Strikers Defy Whole  
United States Army!

A dispatch from Huntington says the  
authorities there have been notified that  
striking miners in the Piney Creek Dis-  
trict have wired to Cincinnati for 150

cers Wednesday.

## Board of Education

The Board of Education met in regu-  
lar session last night at the Public Li-  
brary.

At the opening of the meeting the  
Chair ruled that as Mr. James P. Egnew  
had never qualified the Board consisted  
of only eleven members.

The salaries of the teachers, together  
with a number of claims and accounts,  
were allowed.

Sixth Wards, and urged that one be

On motion of Mr. Kelsor, the Chair  
was empowered to appoint a committee  
to investigate this matter and report at  
the next meeting of the Board.

C. Wetzel for Headlight Oil, Gasoline.

Jesse E. Poage has been nominated  
by the Democrats for Circuit Clerk of  
Bracken county.

The young man killed in the C. and  
O. wreck near Vanceburg was thought  
to be Henry Osterlitz of Newport, who  
had been missing from his home for  
several days. While the parents of the  
young man were in Vanceburg to iden-  
tify the body, Osterlitz returned to his  
home, safe and well.

The Morning Herald of Lexington  
this week moved into its new location  
and when issued was scarcely recog-  
nizable. It had been greatly enlarged,  
with complete new type, and withal  
presented an appearance entirely foreign  
to its old self. The Herald proprietors  
are fast making it one of the best papers  
in the state, and THE LEDGER hopes  
that in a few short years it will stand at  
the head of the column.

Cartmell extracts teeth without pain.

The Cincinnati Fall Festival this year  
will be held from September 7 to 19,  
inclusive.

In the big fire in the Pike Building,  
Cincinnati, Thursday, Howard Saxby,  
the famous author, lost everything and  
has no insurance. His loss on plates  
and stock is \$20,000.

We employ no agents, and there-  
fore can save you fifteen per cent. on  
monuments, as that is what agents get  
for selling. Come and see us.

One Minute Cough Cure gives relief in one mi-  
nute, because it kills the microbe which tickles the  
mucous membrane, causing the cough, and at the  
same time clears the phlegm, draws out the in-  
flammation and heals and soothes the affected  
parts. One Minute Cough Cure strengthens the  
lungs, wards off pneumonia and is a harmless and  
never failing cure for all curable Coughs, Colds  
and Croup. One Minute Cough Cure is pleasant  
to take, harmless and good alike for young and  
old. J. Jan. Wood & Son.

### Catarh Cannot Be Cured

With local applications, as they cannot reach the  
seat of the disease. Catarh is a blood or constitu-  
tional disease, and in order to cure it you must  
take internal remedies. Hall's Catarh Cure is  
taken internally and acts directly on the blood  
and mucous surfaces. Hall's Catarh Cure is not  
a quick medicine. It was prescribed by one of the  
best physicians in this country for years and is a  
regular prescription. It is composed of the best  
tissues known, combined with the best blood puri-  
fiers, acting directly on the mucous surfaces. The  
perfect combination of the two ingredients is what  
produces such wonderful results in curing Cat-  
arh. Send for testimonials free.

## Good for Bad Boys!

Seems a fitting title for a shoe that gives abso-  
lutely satisfactory service and stands a long season  
of the wear and tear most "strenuous" youngsters  
put into them. "Good for Bad Boys" Shoes are made  
of solid leather throughout—no lining to wear and  
wrinkle over the toes. They are built in a factory  
that make a specialty of and know the require-  
ments of Boys' Shoes, and sold in Maysville ex-  
clusively at

The County Court of Knox county, Tenn., is "unearthing" the most unique frauds of even this progressive age. The Court has a committee at work examining graves in the county's pauper cemetery, and as a result of one day's operations 179 graves were opened, and of this number only 64 contained bodies. This makes a total of 279 graves opened, in which 77 bodies have been found.

The committee announces its intention to exhume every coffin buried within the past six years. This means the entering of 1,000 graves.

A Negro charged with having committed "fake" burials during the past few months for the purpose of securing payment for the same from the County Treasury was tried and bound to Court. He swore on the stand that he had taken coffins to the county cemetery, knowing there was nothing in them. The undertaker employing the Negro disclaims responsibility for the latter's actions, and also denies ever having had knowledge of the committing of frauds.

He admitted, however, that he had charged the county for coffins ordered for two persons who died at the City Hospital whose bodies were turned over to a medical college.

FROM BRACKEN COUNTY.

Confessed Counterfeiting, and Implicated Confederates.

Jed Kiscadin of Bracken county was lodged in Jail at Lexington by Deputy United States Marshal Robert Truo, charged with counterfeiting.

He confessed and is said to have implicated a big band of confederates operating in Bracken and adjoining counties.

The names were withheld, as officers are planning to run them down.

Kiscadin was caught after a two weeks exciting chase.

**A Weak Stomach**  
causes a weak body and invites disease. Kodol Dyspepsia Cure cures and strengthens the stomach, and wards off and overcomes disease. J. B. Taylor, a prominent merchant of Christian, Tex., says: "I could not eat because of a weak stomach. I lost all strength and run down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by the use of Kodol, I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strength, weight and health." J. Jas. Wood & Son.

He will give you full information, the exact cost of your trip, or if you so desire will call on you in person and explain everything fully to you. A letter addressed to him, giving him the information, may be the means of saving you several dollars. T. A. Garrigan, Southeastern Passenger Agent Big Four Route, Huntington, W. Va.

Of course the fire insurance companies ought to raise premium rates in Kentucky, as they took in last year only \$1,700,000 more than they paid-out in losses. The official reports of premium collections and losses filed with the state Insurance Department shows that the companies collected in Kentucky last year \$3,406,619, and paid out in losses \$1,725,688, a shade over 50 per cent. of the receipts.

The United States Supreme Court has decided the case of the Louisville and Jeffersonville Ferry Company adversely to the contention of the state of Kentucky that that state had the right to tax not only the company for a Kentucky franchise, but also its Indiana franchise. The opinion said the Kentucky authorities had no jurisdiction over the Indiana franchise. The opinion reversed the decision of the Kentucky Court of Appeals; and it's a leadpipe cinch that if the Supreme Court had to pass upon all the decisions of the Court of Appeals more than 73 per cent. of them would be reversed.

Political Pickings

DON'T APPLY IT TO BRYAN!

Louisville Herald.

Under Chinese law there is provision for equality between an offense and its punishment. A dishonest brick-maker in one of the provinces was fined 20,000 bricks. An English writer thinks that, on the same principle, Lord Lansdowne should be compelled to give the next five or six years of his life to writing an essay on "German Diplomacy and its Relation to British and American Interests." The principle is inapplicable to America. Fine William Jennings Bryan, for instance, 20,000,000 words, and an ocean of verbosity were let loose on the land.

Dyas Clinger, Superintendent of the Manchester High School, who was arrested, charged with assault and battery by a pupil, was acquitted at his trial.

The Richmond Lodge of Elks has invited the Rev. E. L. Powell of Louisville to deliver his lecture on "Christian Citizenship" before the Order at an early date.

Judge Thomas R. Phister was one of the attorneys for Charles B. Campbell at his examining trial at Aberdeen Thursday.

Mary A. Dimmitt, by Master Commissioner C. Burgess Taylor, sold to Omar Dodson 100 acres on the Taylor's Mill pike for \$2,410.

IN CONSTANT MISERY.

Relief Comes at Last to a Maysville Citizen.

After years and years of constant misery from backache and the many annoying complications that accompany sick kidneys, a citizen of Maysville finds relief and cure. The public statement which follows will help many a reader.

Mr. J. B. Roper, proprietor of the inn and restaurant, 125 Market street, says: "Doan's Kidney Pills which I procured at J. James Wood & Son's Drugstore, corner of West Second and Market streets, do all that is claimed for them and do it promptly and thoroughly. From personal knowledge I cheerfully testify to their value and effectiveness." For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

The Fralick Hospital and Sanitarium Company of Ohio, which will establish a hospital in Nicholas county for the treatment of tuberculosis, organized in the department of Secretary of State at Frankfort Thursday. It has \$50,000 capital, and Dr. W. G. Fralick of New York is at the head of the company and John I. Williamson of Carlisle is one of the incorporators.

1903 SEEDS

Our stock of seeds has just been received direct from Landreth & Son's warehouse in Philadelphia, and while it may be a little early to plant it is never too early to plan, and we want you to remember Landreth's seeds in all your plans for the garden this year. Landreth's is the house that burns all left-over seed every year, so you can be sure if it's Landreth's it's fresh, and not only fresh but of the variety you want. This is the only seedhouse that makes it impossible for old seed to get mixed in with the new. Their seeds cost no more though.

FLOWERING SWEET PEAS

Should be planted now. Let us sell you the seed. Also, call and get one of Landreth's fine catalogues.

Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

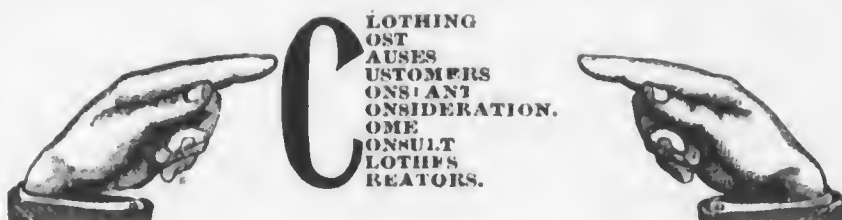

Mr. Oliver still controls the chilling process that has made the Oliver Plow so famous. Every genuine Oliver Plow Point or other repair has Mr. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last almost twice as long as a part chilled in the imitation way. Notice one peculiarity of an Oliver Plow: Note this well, for it means much to you—An Oliver Point also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most value that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.

Edwin L. Burdick, owner and publisher of the magazine Roller Mill was murdered in his home at Buffalo, N. Y. His body was discovered by his mother-in-law, Mrs. Hull. The back of Burdick's head was crushed.

A terrific rainfall Thursday night has partly submerged San Antonio, Tex. The San Antonio river is out of its banks, and basements in the business portion of the city are flooded. The loss in the city and vicinity, not including damage done to railroads, is placed at \$50,000.

The condition of General John B. Gordon, who was taken violently ill while en route to Jackson, Miss., is reported much better and his recovery is assured. His physician states that his sickness was caused by acute indigestion, accompanied by extreme nervousness.

There will be three burials today at the Catholic Cemetery at Washington.

River News

The Hudson goes up for Pittsburgh tonight.

The Tacoma will pass up tonight for Pomeroy.

The Henry M. Stanley for Cincinnati will be down tomorrow.

Axon & Sons, Brownsville boat builders, have three towboats in the stocks—one for the Clyde Coal Company, one for the A. J. Leonard Coal Company of Brownsville and one for J. C. Watson.

The repairs and remodeling of the Sprague will be completed probably today, but the boat will not leave Pittsburgh till next week. It is thought she will move along without a hitch, and will be able to take twice as much in a tow as any other river boat.

The general public will be surprised to learn how much coal it takes to run steamboats. The big steamer Louisville burns 100 bushels every hour, 2,400 bushels every twenty-four hours. On her present Mardi Gras trip she will burn 30,000 bushels of coal on her round trip.

The steamer Alvin Adams was one of the fastest steamboats ever built. Upon one occasion she was turned loose about a mile below the mouth of Salt river—twenty-five miles below Louisville—and she made the run to New Albany in one hour and five minutes. It is said the Eclipse made the same run in one hour, but this has been disputed.

The Queen City did not get away from New Orleans according to schedule time, as some of the passengers were detained by the charms of the Mardi Gras ball. The big City of Louisville and the Queen City are reported to have left the Crescent City about the same time. A report from below states that the famous horns which were worn by the fastest boats of other days, when the river was in its glory, will be given the boat which lowers the time of the Robert E. Lee, a boat which has gone down in history as the fastest boat that ever plied the inland rivers.

Sickness steals more savings than the burglar. Slowly, coin by coin, the money that has been so hard earned is paid out for drugs and doctors. Sickness is the worst enemy of the working man, and the common cause of the stomach often involving the heart, lungs, liver, or kidneys.

The use of Dr. Pierce's Golden Medical Discovery will stop the stealing of the savings by sickness. It cures diseases of the stomach and other organs of digestion and nutrition. It cures diseases of heart, liver, lungs, kidneys, etc., when these diseases are caused by the diseased condition of the stomach and its allied organs.

"About ten years ago I began to have trouble with my stomach," writes Wm. Connolly, of 555 Walnut Street, Lorain, Ohio. "It got so bad I had to lay off quite often two and three days in a week, my stomach would bloat, and I would belch up gas, and was in awful distress at such times. I have employed and been treated by the best doctors in the city but got no help whatever. You told me that by my symptoms you thought I had liver complaint, and advised the use of your 'Golden Medical Discovery' and 'Pleasant Pellets' in connection. These medicines I have taken as directed, and am very happy to state that I commenced to get better from the start and have not lost a day this summer on account of my stomach. I feel tip-top, and better than I have for ten years."

Accept no substitute for "Golden Medical Discovery." Nothing else is "just as good."

Dr. Pierce's Pleasant Pellets regulate the bowels.

The abandonment of the trip of the Illinois City from St. Louis recalls to rivermen the Mardi Gras trip of the Great Republic in 1870 with the Grand Duke Alexis of Russia on board. The Republic was caught in an ice gorge twenty miles below Cairo, delaying the royal party several days. Finally the steamer James Howard was sent to the relief and took the passengers to Memphis. The Republic and Howard were the finest steamers on Western waters at that time.

The towboat L. H. Hinman burned to the water's edge at Hawesville on Wednesday night. No lives were lost in the disaster. The boat was the property of the Cincinnati Cooperage Company, and engaged in the timber business between Cincinnati and the Tennessee river, carrying timber for the mills of the company. The company heard of the loss late Wednesday night. It reports the loss at about \$14,000. Captain W. S. Paris, a veteran commander in the Tennessee and Ohio river trades, was in charge at the time of the disaster. At the time of the accident the boat was bound South with a tow of empty model barges.

AGENTS WANTED.

THE LAXAKOLA COMPANY,

FOR SALE, FARM

Known as the Sam Street Farm, Plumville, Ky., five miles from Maysville, 164 acres. Freehold given March 1st to 1903. For further information address or call on R. H. NEWELL, 112 East Bottom Street, Maysville, Ky.

A WEAK STOMACH will not allow one to eat enough to keep up health and strength. A weak stomach can not digest enough food to keep up the strength even if it were eaten. Do not try to cure dyspepsia or any other stomach trouble by dieting. Satisfactory work of muscle or brain can not be performed on half rations. A variety of food and plenty of it is necessary.

KODOL DYSPEPSIA CURE

Kodol Dyspepsia Cure is the remedy that will let you eat all you need—or want. If you will use Kodol you will soon be able to eat any and all kinds of food. Kodol is the only digestant or combination of digestants that will digest all classes of food. When you take Kodol everything you eat tastes good, and every bit of the nutriment that it contains is assimilated and appropriated by the blood and tissues. Did you ever hear of a man or woman being sick or weak who could eat heartily and who enjoyed their meals? Every man, every woman and every child who is sick, puny or weak can soon eat heartily and enjoy every meal if they will take Kodol. A truth worth repeating: When you take Kodol everything you eat tastes good, and every bit of the nutriment that your food contains is assimilated and appropriated by the blood and tissues.

Hinesville, Ga., Sept. 1, 1902.  
I have been selling Kodol Dyspepsia Cure since 1897 and have never had a single complaint. As it has proven so successful and is decidedly the best stomach medicine I ever handled, I decided to try it myself, and can state truthfully that it has done me more good than anything I ever used for indigestion and dyspepsia. J. R. RYAN, Merchant & County Treas.

Bottles only—Regular Size, \$1.00, holding 2 1/2 times as much as the trial size which sells for 50 cents. Prepared only by E. C. DeWITT & CO., Chicago, U. S. A.

"KODOL DIGESTS WHAT YOU EAT."

I have used Kodol Dyspepsia Cure for a period of nine months, using in all four bottles, and I can say that it has cured me of Dyspepsia completely. J. O. SETHER, Crookston, Minn.

## MISS IDA M. SNYDER,

Treasurer of the Brooklyn East End Art Club.

**M**ENSTRUAL irregularities are generally the beginning of a woman's troubles. With the vitality at a low ebb, the blood weakened, the digestion disordered, she goes about pale-faced, hollow-eyed and haggard, a piteous contrast to the blooming health of her former self. But over 1,000,000 women have found health again by taking Wine of Cardui. As a regulator of the menstrual periods Wine of Cardui has never been known to fail. It has seldom failed to restore perfect health, even in the most persistent and aggravated case of weakness.

Miss Ida M. Snyder.

Miss Ida M. Snyder, of No. 535 Bergen Street, Brooklyn, N. Y., has used Wine of Cardui and she says it helped her into a new life. Health to Miss Snyder is worth a great deal. She is an attractive young woman with intellectual attainments and she occupies the position of Treasurer of the Brooklyn East End Art Club. This position marks her as a person of intellect, culture and refinement and it speaks highly of the respect and trust her fellow women have in her. She writes:

"If women would pay more attention

to their health we would have more happy wives, mothers and daughters, and if they would use more intelligence in the matter of medicines, observing results, they would find that the doctors' prescriptions do not perform the many cures they are given credit for.

"In consulting with my druggist he advised McElree's Wine of Cardui and Theodor Draught and so I took it and had every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

You may secure the same relief as Miss Snyder, if you take Wine of Cardui as she took it. Theodor's Black-Draught is the companion medicine of Wine of Cardui and it is a liver and bowel regulator which assists greatly in effecting a cure. If you take these medicines according to directions, the relief and cure is simple. Some cases are cured quickly and others take longer because the disease has run longer. Remember how Miss Snyder took Wine of Cardui and has health. The same medicines are offered you to-day.

# ECONOMY

## IS WHAT THE TIMES DEMAND.

Money saved is the easiest money made. You may wear cheap clothing and be respectable, but you can't eat impure and unwholesome food and be healthy for any length of time. So when it comes to buying supplies for your table it is economy to buy the best. My annual CUT PRICE sale for CASH is now on, and when I say cash price that is what it is.

I am now rounding up my twenty-third year in Maysville. During that entire time I have worked hard and incessantly to build a trade for first class goods and to establish and hold a reputation for honorable and fair dealing. My success in business has proved to me that I have not worked in vain. My business has steadily increased from the beginning. I intend to continue in the same old way. For your very liberal support you have my most sincere thanks, and I most respectfully ask for a continuance of same. I want country people when in our city to visit my store and make it their headquarters. You are always welcome.

Remember, I run two delivery wagons, and it is always a pleasure to deliver goods. If you can't come to the store call up.
